

# SECURITY AND MILITARY STYLE COATS

The Overcoat Importer is a well known company in the importation of used and new civilian and military surplus overcoats. We only import from the best and accredited suppliers in Europe, travelling frequently to the suppliers to ensure the highest standard of products. The coats are mostly ex NATO forces. These security overcoats are highly sort after and are suitable as uniforms in various industries like mining, forestry, game ranging and general night guarding duties. The coats are made from the highest quality materials and are sold at a fraction of the original costs. Gabadine, Wool, Cotton and some PVC - with or without linings.

Please note that the prices reflected in this document are subject to stock availability and could be adjusted on arrival of new stock, subject to current exchange rates.

All prices shown include VAT and exclude transport costs.

MINIMUM ORDER QUANTITY FOR DELIVERY IS 20 UNITS.
